

Dr. Dieter Ernst

Senior Fellow, East-West Center, Honolulu, HI

Dieter Ernst is a senior East-West Center fellow (at the full professional level). Dr. Ernst is a former senior advisor to the Organization for Economic Cooperation and Development (OECD), Paris; a former research director of the Berkeley Roundtable on the International Economy (BRIE), University of California at Berkeley, and a former professor of international business at the Copenhagen Business School. Dr. Ernst has co-chaired an advisory committee of the US Social Science Research Council to develop a new program on Innovation, Business Institutions and Governance in Asia. He has also served as scientific advisor to several institutions, among them the Organization of Economic Cooperation and Development, the World Bank, the National Bureau for Asian Research, the U.N. Conference on Trade and Development, and the U.N. Industrial Development Organization. He holds a Ph.D. in economics from the University Bremen.

Dr. Ernst has published numerous books and articles in leading journals on internationalization of innovation and the determinants of its diffusion within and across countries. His recent conference papers include: *Indigenous Innovation and Globalization--the Challenge for China's Standardization Strategy*, Ernst D., 2010, *Draft scheduled for Publication by the East-West Center and National Bureau of Asian Research* (2011).
