

**Terence P. Stewart**  
**Managing Partner, Stewart and Stewart**

Mr. Stewart is the Managing Partner of Stewart and Stewart. Mr. Stewart's practice focuses on international trade matters (litigation, negotiations, policy) and customs law. Mr. Stewart's practice includes trade remedies (including antidumping, countervailing duty, safeguard matters in the U.S. and abroad); helping clients understand opportunities/challenges within trade negotiations (free trade agreements, the World Trade Organization) and pursue client interests within the negotiations; dispute settlement under international agreements (e.g., NAFTA, WTO); development of legislative options on trade-related issues; evaluation of WTO-consistency of laws, regulations and practices of countries where clients are active. He has worked with various industries to solve trade matters in the US and abroad, including representing agricultural, industrial and service groups.

He has previously served as Chair of the U.S. Court of International Trade Advisory Committee on Rules, President of the Customs and International Trade Bar Association. He is currently the Secretary of the Federal Circuit Bar Association and a member of the Council of Advisors of the U.S. Court of Appeals for the Federal Circuit and a member of the Steering Group of the International Trade Committee of the American Bar Association's International Law Section. Mr. Stewart is also a former member and prior Vice President of the Board of Directors of the U.S.-Africa Chamber of Commerce. He is a former member of the Permanent Group of Experts of the WTO Committee on Subsidies and Countervailing Measures.

Mr. Stewart is an adjunct professor at Georgetown University Law Center. He received his law degree from Georgetown University, his Masters in Business Administration from Harvard University, and his bachelors from the College of the Holy Cross. He also received an Honorary Doctorate from the Ukrainian Academy of Foreign Trade and an Honorary Doctorate of Political Science from the Russian Academy of Sciences.
