

Cecilia Han Springer

Assistant Director, Boston University Global Development Policy Center

Cecilia Han Springer is the Assistant Director of the Global China Initiative at the Boston University Global Development Policy Center, where she also leads the Energy and Climate research group. Her interdisciplinary research focuses on the environmental impacts of China's overseas investment, energy and climate policymaking processes within China and industrial decarbonization. Previously, she was a post-doctoral fellow at the Harvard Kennedy School Belfer Center, a Fulbright fellow in Tianjin, China, and a senior associate at Climate Advisers. She earned a M.S. and Ph.D. from the Energy and Resources Group at the University of California, Berkeley and a B.S. in Environmental Science from Brown University.

Dr. Springer has not previously testified before the Commission.
