

Martijn Rasser
Managing Director, Datenna

Martijn Rasser is managing director of Datenna, Inc., an open-source intelligence company. In this role, he manages the company's U.S. operations. Mr. Rasser previously was a Senior Fellow and Director of the Technology and National Security Program at the Center for a New American Security. Prior to joining CNAS, Mr. Rasser served as a senior intelligence officer and analyst at the Central Intelligence Agency, where he worked on foreign emerging technologies, technology innovation, and weapons research and development. He also served as a senior advisor in the Office of the Secretary of Defense, special advisor to a senior military commander in the Middle East, chief counterterrorism liaison to a U.S. military unit in Iraq, and vice chairman of a National Intelligence Council working group.

Mr. Rasser has not previously testified before the Commission.
