

**Diane Staheli, MIT Lincoln Laboratory**

Diane Staheli is a senior member of the technical staff at MIT Lincoln Laboratory in the Cybersecurity and Information Sciences Division. She previously held positions at the White House with the National Security Council and the Office of Science and Technology Policy, where she worked on issues related artificial intelligence, cybersecurity, and emerging technology. She also served as Chief of Responsible AI at the United States Department of War, and as a visiting research fellow at the National Institute of Standards and Technology.

*Ms. Staheli has not previously testified before the Commission.*
