

**Anthony J. Ferrante**  
**Senior Managing Director, FTI Consulting**

Anthony J. Ferrante is a Senior Managing Director and head of the Cybersecurity practice at FTI Consulting. Mr. Ferrante is also an Adjunct Professor of Computer Science at Fordham University's Graduate School of Arts and Sciences, where he serves as the co-director of its cybersecurity research program.

Mr. Ferrante has more than 15 years of top-level cybersecurity experience providing incident response and preparedness planning to more than 1,000 private sector and government organizations, including over 70 Fortune 100 companies. He maintains first-hand operational knowledge of more than 60 criminal and national security cyber threat sets and extensive practical expertise researching, designing, developing, and hacking complex technical applications and hardware systems.

Prior to joining FTI Consulting, Mr. Ferrante served as Director for Cyber Incident Response at the U.S. National Security Council where he coordinated U.S. response to unfolding domestic and international cybersecurity crises and issues. Before joining the National Security Council, Mr. Ferrante was Chief of Staff of the FBI's Cyber Division. He joined the FBI as a special agent in 2005, assigned to the FBI's New York Field Office. In 2006, Mr. Ferrante was selected as a member of the FBI's Cyber Action Team, a fly-team of experts who deploy globally to respond to the most critical cyber incidents on behalf of the U.S. government.

Ferrante earned his Master of Science in Computer Science at Fordham University.

*Mr. Ferrante has not previously testified before the Commission.*
