

Mr. Dennis Bracy
Chief Executive Officer, U.S.-China Clean Energy Forum

Dennis Bracy spearheads the team organizing the US-China Clean Energy Forum; is Chairman of Avatar Studios; advises companies on political and public affairs; and chairs the Washington State China Relations Council.

Combining a long-time commitment to strengthening U.S.-China relations and a passion for finding solutions to global energy and environmental issues, Bracy has led the U.S. team for the U.S.-China Clean Energy Forum since the inception of the organization in 2007. Over the past 20 years, he has served as a key advisor to Senators, Governors and Members of Congress and is considered a leading strategist on political and public affairs issues.

As Chairman of Avatar Studios, he heads a company that produces television programs for clients around the world. In the early 1990s, Bracy led the team that developed the first prime-time television co-produced by foreigners in China and he continues to produce several documentaries and videos in China every year. His previous professional positions include president of Hill & Knowlton Technology, vice president of Kaiser Aluminum & Chemical Corporation, and press secretary for the Watergate trials.
