

Chuck Benson
Assistant Director for IT in Facilities Services, University of Washington

Chuck Benson has served as Assistant Director for IT in Facilities Services at the University of Washington (UW) since 2012.

From 2004 - 2012, Benson led technology service delivery within UW Health Sciences Administration and then UW School of Medicine's Department of Anesthesiology and Pain Medicine. He has chaired the University's Protection of Industrial Controls Task Force, the UW's central IT Service Management Board, and currently chairs the IoT Systems Risk Management Task Force for Internet2. Earlier in his career Benson was a Graduate Research Assistant at Eastern Washington University, IT Manager at St. Luke's Rehabilitation Institute, and was a Captain in the United States Marine Corps, serving as a helicopter pilot.

Mr. Benson earned his BE in Electrical Engineering from Vanderbilt University and his MS in Computer Science from Eastern Washington University.

Mr. Benson has not previously testified before the Commission.
