

Namrata Goswami, Ph.D.
Senior Independent Analyst

Dr. Namrata Goswami is an independent senior analyst and author. Dr. Goswami's work on "Outer Space and Great Powers" is supported by the MINERVA Initiative Grant for Social Science Research. She spent nearly a decade at the Institute for Defense Analyses in New Delhi, and she was awarded the Fulbright-Nehru Senior Fellowship supporting her work on China-India border conflict scenarios. She also served as a Jennings-Randolph Senior Fellow at the U.S. Institute of Peace. She received her Master of Arts in Politics and Administration from Pune University and her Ph.D. from the Jawaharlal Nehru University School of International Studies.

Dr. Goswami has not previously testified before the Commission.
